WHY REMAIN CATHOLIC?

ONE day, while I was in a mall, a total stranger approached me and said, "Brother Bo, I watch your videos. You speak good messages. But are you saved?"

I rolled my eyes. I sighed, "Yes, I am."

I knew what he was going to say next: First, he'll say that because of our statues, we're idol worshippers. That when we pray to Mary and the Saints, we talk to the dead, which is necromancy. That there is only one mediator between God and Man, and that's Jesus, not Mary. That our doctrines are all man-made. And that all Catholics will go to Hell.

And true enough, he went down the entire list. When he was done, I smiled and said, "When you die and go to Heaven, you'll be very surprised. Because you'll see me there."

Welcome to our teaching this month, *TREASURE: Why Remain Catholic?* In this series, you'll discover how rich your Catholic faith is. And you'll be very grateful you're Catholic.

May your dreams come true,

BO SANCHEZ

CHERISH THE TREASURE

Today we begin a new Feast series: Treasures.

This series will help us realize how rich our Catholic faith is.

We begin by understanding our History.

In medical practice, a good and thorough knowledge and understanding of a patient's history is vital to the patient's diagnosis, treatment, and recovery from the illness. A bad understanding of the history may eventually lead to harming the patient instead of achieving healing.

It could be the same way with our Catholic faith.

Sometimes, the state of our faith has become so long complicated and we get lost in translation. I pray that this series helps you keep and cherish the treasure that is already with you in your faith.

Blessing and healing,

DIDOY LUBATON

RECAP FROM LAST SUNDAY

Gospel Reading According to Matthew 16:13-20

“WHEN GOD IS PRESENT IN YOUR LIVES, THINGS WILL WORK OUT WELL FOR THOSE WHO LOVE HIM.”

– Fr. Elis Santos

Just like Mary, who ascended into Heaven and was proclaimed Queen of Heaven and Earth, God is reminding us to obey Him and to listen to His words. When we recognize God’s presence in our lives, we can be the best version of ourselves, and only the best will happen to us.

SERIES: TABOO

Big Day

Big Message: “Bring it to the light”

The previous series, “Taboo” talked about the dark areas of our lives -- how our lives are affected by our **Ancestors**, how we become victims of **Abuse**, and how we suffer from different kinds of **Addictions**.

Last Sunday, we were reminded to make God the light of our world. This way, we get to see hope, healing, and restorations. If we follow Jesus, we would never have to walk in darkness for the rest of our lives.
