

WELCOME HOME

CONNECT WITH GOD. CONNECT WITH ONE ANOTHER.

WHAT DO WE DO WITH ALL OUR SUPERSTITIONS?

Are you afraid of the number 13?
Do you get the heebie-jeebies when a black cat crosses your path?
Do you light up fireworks on New Year's Eve to drive away evil spirits?
Do you carry a rabbit's foot for good luck? (Gee. That rabbit wasn't very lucky.)
Do you believe in horoscope? Or fortune-telling?
And if you're Chinese, do you practice feng shui? And venerate the dead?
Is there any good in these practices? Or do we reject them outright? You'll be surprised with at what you'll hear today.
Be immensely blessed.

May your dreams come true,
BO SANCHEZ

GOD IS ENOUGH

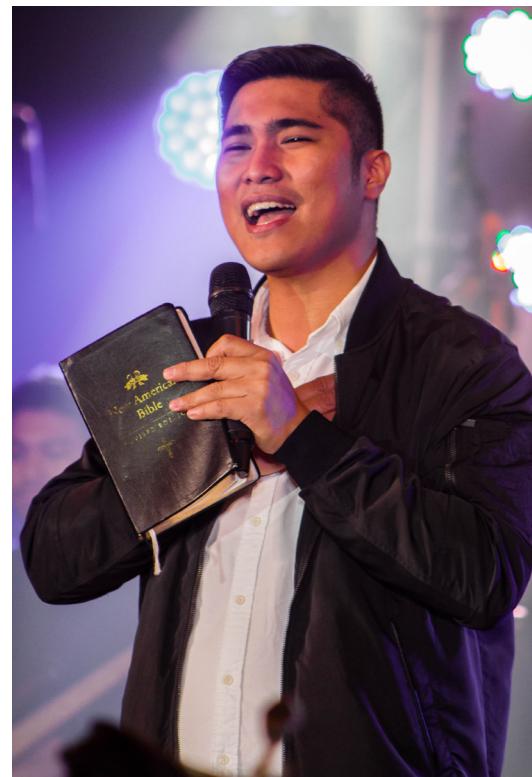

I met a patient once, and she shared to me her search for 'healing'. We've traced her journey from modern medicine, to *albularyo*, to palm reading, to crystals, to horoscopes, to amulets, and so on. She related that everything that she tried didn't seem to really fill the empty space that she's been gnawing to fill. Worse, her health and well-being have been spiraling down.

I told her, "You can go and search the world for the healing methods that this world has to offer and you'll find yourself still worried and even worse than before. But when you encounter God your Healer, then you will find that He is enough. Instead of faith healers, put your faith in God our Healer." She then was led to prayer and further counseling, received the sacrament of reconciliation, attended the Feast regularly, and eventually became so much better than before. She shared to me that when she has begun to surrender to God's will, and that's when she found her path to true healing.

I believe that there are no coincidences, only God's incidences. Instead of believing in the alignment of the stars, I believe in God who made the stars. I believe in the sovereignty of my Lord in all areas of my life. I'd rather let Him be in control of my life than any other.

Today, may we declare that God is enough!

Blessing and healing,

BLESSING BLOG

GOD WILL MAKE A WAY

by Angelo Merced

Being inspired by the teachings he got from attending Sync every Sunday, Jerry decided to share his blessings with his officemates. So, in March 2017, he became a Feast Video Emissary.

For many, starting a Feast Video can be scary given all the responsibilities it entail. But Jerry did not have any fears or hesitations. He was blessed with two officemates-slash-fellow Feasters -- Melvin Mamado from Feast SM Dasma and Arvin Dizon from Feast Glorietta -- who gave him encouragement to pursue his plans. United by their desire for their officemates to experience the overflowing love and blessings from God, as well as to inspire their colleagues with the teachings at The Feast, they gave the idea a go. Their first Feast Video was on the "Simple Life" series.

Every Thursday, they gather to listen to the Word of God. They are refreshed with His overflowing love after watching the video for every session. Thankfully, the responses of the attendees were positive.

Interested to host your own Feast Video?

IF YOU WANT TO WIN OVER TEMPTATIONS, YOU HAVE TO LOVE YOURSELF FIRST.

YOU ARE BETTER THAN YOU THINK YOU ARE.

SEE YOURSELF THE WAY GOD SEES YOU.

RECAP FROM LAST SUNDAY

Gospel Reading According to Matthew 20:33-46

EVEN TODAY, THE VINEYARD IS UNDER PERSECUTION. TODAY, JESUS IS SAYING TO US, 'WHO IS GOING TO PROTECT MY VINEYARD?'

- Fr. Mark Demanuelle

Jesus told the Parable of the Tenants to reveal to us our salvation history. The vineyard symbolizes God's Kingdom, which He entrusted to us, the stewards. However, time will come when we will be complacent in taking care of the vineyard, and He will send His Son, and we will be thrown out. Still, we are given the chance to change our lives and to continue protecting God's Kingdom.

SERIES: ANGELS AND DEMONS

Talk 1: Temptations

Big Message: "You are better than you think you are."

We fall into sin not because of the temptations around us but because of our weak spiritual immune system. When our love tank is full, we won't feel the need to look for love from the outside. True love that will heal and will satisfy us is found in Jesus. He looks beyond our sins and our faults. So, we have to remind ourselves, "I am beautiful. I am loved. I am forgiven by the mercy of God."
